TOURISM WEEKEND – FEB. 14-17, 2025

Would you like to try the world-class Snowmobile Trails in New Brunswick this winter? Well, wait no more, here is your chance! **New this year, the Tourism Weekend is being opened up to Residents of New Brunswick!**

For years now, Snowmobile-Motoneige NB (SMNB) has had a Tourism Weekend to invite Tourists from outside the province to come to NB and try out our trails. This past year, the format was changed to make this a 4-day weekend, with a \$50 fee for this special permit. This is an amazing deal, as a one-day permit is \$70!

With over 8000 kms of trails to choose from, there is no question you will enjoy gorgeous winter scenery and the only question will be “Where to start?” We will leave that decision up to you, as there are so many amazing options!

Go online now to order your printable permit, it will be sent to you by email so all you do is print and display on your windshield. SMNB wants to help you enjoy Family Day Weekend with your family on our trails! Welcome to one and all!
